We were at more mobile food pantries this quarter and distributed another 1600 pounds of cat food to pets in need. Special thanks to the ASPCA for the food grant that made this possible.

On June 12, go to the Loons game with your four-legged friend! Dogs are welcome on the concourse and in the lawn all night. Check out the Dow Diamond website www.milb.com for details.

Screen Yourself

Many pet parents welcome the breezy days of spring by opening their windows. Unfortunately, they also unknowingly put their pets at risk—especially cats, who are apt to jump or fall through unscreened windows. Be sure to install snug and sturdy screens in all of your windows.

Spring Cleaning

Spring cleaning is a time-honored tradition in many households, but be sure to keep all cleaners and chemicals out of your pets' way! Almost all cleaning products, even all natural ones, contain chemicals that may be harmful to pets. The key to using them safely is to read and follow label directions for proper use and storage.

Out and About

Warmer weather means more trips to the park, longer walks and more chances for your pet to wander off! Make sure your dog or cat has a microchip for identification and wears a tag imprinted with your home address, cell phone and any other relevant contact information.
