Fenced Yard ☐ Yes ☐ No Type _____ Height _____

Can you afford to provide food for the animal(s) ? ☐ Yes ☐ No

Please be aware that rescue animals may have unknown vaccination status and may be harboring infectious diseases or parasites. These diseases can be transmitted to your pets if you do not use proper cleaning procedures for all personal belongings that come in contact with the rescue animal. It is very important that you discuss proper procedures with the Fostering Coordinator before performing any services involving contact with rescue animals.

SOS ANIMAL RESCUE FOSTER VOLUNTEER LIABILITY RELEASE

I understand that I do not qualify as a volunteer to provide foster care for animals through S.O.S. Animal Rescue solely by signing this form. I acknowledge that I must complete foster training under the guidance of the S.O.S. Animal Rescue Fostering Coordinator, and be approved by the Fostering Coordinator as having successfully completed such training before I may qualify as a volunteer to provide foster care for animals through S.O.S. Animal rescue.

I further understand that, should I be approved for fostering, it will be my decision whether or not to foster any particular animal. I will not hold S.O.S. Animal Rescue responsible for any damage, injury or harm caused directly or indirectly by any dog or cat I handle as a volunteer for S.O.S. Animal Rescue. I also understand that S.O.S. Animal Rescue is not in a position to reimburse costs incurred in volunteer activities related to the rescue of or care for dogs or cats. In consideration of being permitted to foster an animal for S.O.S. Animal Rescue, I hereby release and agree to indemnify S.O.S. Animal Rescue, its officers, employees, agents, volunteers, and their heirs, estates, and assigns, from any and all claims, demands, suits, or actions arising out of my activities as a foster volunteer for S.O.S. Animal Rescue.

I further understand that any dog or cat placed in the name of S.O.S. Animal Rescue (i.e. using our adoption forms & other paperwork) must have received full veterinary care including appropriate vaccines, must have been spayed or neutered unless a veterinarian recommends against it for reasons of age or health, and must have been quarantined for a minimum of 14 days after last date of receiving vaccinations, prior to placement in an adoptive home. In addition, I understand that animals that have demonstrated unsound temperament or unprovoked aggression cannot be placed in the name of S.O.S. Animal Rescue. I also agree to abide by any other written policies of S.O.S. Animal Rescue, including those in effect at this time and those voted into effect in the future.

By signing below, I certify that I have read and understand the foregoing Liability Release.
